* As part of our recovery curriculum the above timetable is designed to be: Short burst; Basic skills based; Consistent (across the week). Curriculum rotation across two weeks may be necessary to incorporate all of the other subject areas. This will all be reviewed on a half termly basis. The schools previously planned timetabling has been suspended until further notice. Timings are to be decided by class need and this decision sits with the teacher.

**Phonics twice a day in KS1.
