Friday 28<sup>th</sup> January

## Bicycle Health Checks

We have a very exciting opportunity coming up next week. North Tyneside Council's 'Doctor Bike' will be visiting Richardson Dees Primary School on **Tuesday 1<sup>st</sup> February**.

This is a free service and means we will have a qualified bike mechanic at school to do checks and minor repairs and adjustments on pupils' bikes.

If any of the bikes need more serious work, then the mechanic will be able to assess and advise on what needs to be done.

Bikes will be ready to collect by the end of the school day.

So if your child's bike needs a health check, please bring it in on 1<sup>st</sup> February for a free session with Doctor Bike.

Provision for the storage of bikes will be made on our main school yard for children in Years 1 through to 6.

For Nursery and Reception children, please take your bikes into the Nursery or Reception yard with them and we will store them separately in the Unit.

If your child attends Breakfast Club they should bring their bike to the main entrance and we will take it through to the appropriate storage area. In the event that there are lots of bikes, please be patient with us as we work to get everyone into school.

Kind regards,

Mr W Myers
