Wednesday 20<sup>th</sup> September 2023

To parents/careers,

As part of our science curriculum, the girls in Year 5 have been invited to take part in a “**Science is My Superpower**” project which is being run by Newcastle High School for Girls. It is aimed at inspiring girls into STEM (Science Technology Engineering Mathematics) with activities for each session based around different themes. This is run throughout the academic year both during school time and on three Saturdays. The dates of the project are below:

Session 1 – Saturday 30<sup>th</sup> September, 2023 – 9-12pm @ NHSG

Session 2 – Wednesday 15<sup>th</sup> November, 2023 – 1.30-3pm @ NHSG

Session 3 – Saturday 3<sup>rd</sup> February, 2024 – 9-12pm @ NHSG

Session 4 – Wednesday 28<sup>th</sup> February, 2024 – 1.30-3pm @ NHSG

Session 5 – Saturday 18<sup>th</sup> May, 2024 - 9-12pm @ NHSG

Session 6 – Wednesday 5<sup>th</sup> June, 2024 – 1.30-3pm @ NHSG

The project is free of charge for the girls and transport will be provided by minibus to and from Newcastle High School for girls. On the three Saturday sessions, the children will be picked up from Richardson Dees car park at 8:30am and dropped off back at school at 12:15pm. The children are expected to wear their school grey hoodie on the Saturday sessions and are expected to be in full uniform on a Wednesday. For all sessions, the girls will be accompanied by members of school staff.

We are hoping that all of our Year 5 girls will be able to attend all of the sessions, however, please indicate below if this will clash with any activities which your child may do and hence could not commit to the Saturdays.

Any questions on this, please do not hesitate to ask. Kind regards

Mrs Turner & Mrs Cox  
Class Teacher Teaching Assistant
