Friday 10th July

Dear parent / carer,

Today we will be posting out your child's report in the hope that you will receive it on Monday at the latest. As well as the information contained below, it will tell you which teacher and teaching assistant(s) your child will be working with from September. In almost every case, your child will be working with last years staff again because we believe:

- this will allow for the greatest consistency for your child
- it will support your child's wellbeing as they return to teachers they know well
- it gives us a firm of knowledge foundation to build on for the coming

If you have any further questions on this, please don't hesitate to contact school.

School Closed

On Friday 17th July, school will be closed for the first time since February. Please could we ask that you use the final week of the school year for any questions you might have - we will be more than happy to help in any way we can.

Return to School on Thursday 3rd September

After the summer holidays, school will reopen to all of our children including Nursery on Thursday 3rd September. Before school closes, we will share all the information you need to have in advance of that return.

Uniform: Free Hoodie for September

For this coming academic year only, EVERY child will receive a free school hoodie with the new school logo to start the year. There will be a different colour for each year group. School will be in contact before the holidays to find out which size(s) you will require. These will be available for collection in school from Tuesday 1st September. The rest of their uniform remains the same as last year. More information to follow.

Staff Leaving

In amongst all the changes, we are saying goodbye to some very much loved and respected members of our staff team. Miss Waite, Mrs Kershaw and Mr Tullock will all be leaving us in July and I would just like to take this opportunity to thank them for their many contributions to our school and to wish them all the very best as they move forward in their careers.

Stay safe. #rdpsfamily
