Please read below for **important** information from the headteacher.

Only children from identified groups should attend school today. Even key workers shouldn't bring their children to school if they are safely able to take care of them at home. I am a key worker but my wife is working from home so that my three year old doesn't need to attend his nursery. The government guidance tells us that the safest thing my family can do at this time is to stay at home.

Every child who is entitled to a FREE packed lunch can collect it from our main entrance today and every school day between the hours of 1130am and 100pm. Please let school know if you do not wish to take up this service. **Help us to avoid food waste.**

Staff are delivering home learning packs today for children who haven't yet received them. We will knock and leave them on the front wherever possible between 9am-11am.

We would love to stay and chat but we hope you will forgive us for keeping a healthy distance. You can still contact us in school if you need to via phone (0191) 26308139, email (office@rdees.org.uk) or Class Dojo (login information is included with your home learning pack).

Stay safe. #rdpsfamily
