

### English including Grammar

Discussion text

We will use Talk for Writing to imitate, innovate and invent our own piece of writing. We will link our chosen innovation to our topic.

Finding Tale

We will use Talk for Writing to create our own narrative finding tale.

Grammar

We will continue to practise spelling, punctuation and grammar daily. Our grammar will link to our text type.

### ICT and Computing

We will use the computers and iPads to continue our learning of computing and coding using Scratch and other apps.

**Year: 3**

**Term: Summer 1**

**Changing the world for the better.**

### Mathematics including Arithmetic

Fractions

We will be using the White Rose scheme of learning to continue our fractions topic. We will explore a variety of mastery investigations as well as fluency.

Capacity

After fractions we will be continuing our measurement topic, this time looking at capacity.

Mrs Wandless will be teaching us geometry. We will also be practicing arithmetic daily.

### Science

Our topic this half term is **rocks**. We will compare and group together different kinds of rocks on the basis of their appearance and simple physical properties. We will describe in simple terms how fossils are formed when things that have lived are trapped within rock and recognise that soils are made from rocks and organic matter. **These lessons will be taught by carrying out a variety of investigations.**

### Art & DT

Print and Textiles

Children will explore printing techniques using a variety of resources and materials. They will also be trying simple sewing skills.

### History & Geography

As part of our Enquiry Based Learning, we will be looking at ways to change the world for the better. The children will lead their learning and choose which areas of Geography and History they would like to investigate. This will be supported by their teacher to ensure they are developing their skills according to the curriculum.

### Music

Year 3 will be learning to play the recorder this term. They will also be learning to sing different songs with other classes and adding percussion instruments to make the music more exciting.

### PE

In PE we will continue learning to play tennis in preparation for our Tennis Festival in June.

### MFL

The children will continue to learn Italian vocabulary. We will also be learning some British Sign Language.

### RE and PSHCE

**PSHCE**-Celebrating Differences' look at different cultures, religions, different communities and the vibrancy this brings to life.

**In R.E we will be looking at Islam**
