A Message on the 2020 Children's Cancer Run

Dear School Supporter

I'm sure it will come as little surprise to you that in light of the cancellation of other high profile events in the region, and the continued ban on mass gatherings, we have taken the decision to cancel the Children's Cancer Run on 20th September 2020. **Sadly, we will be unable to hold the 38th Children's Cancer Run this year.**

We have however managed to confirm the new date for the 38th Children's Cancer Run with Newcastle Racecourse – **Sunday 23rd May 2021**. We would appreciate you pencilling this date in your diary and we will of course be in touch later in the year with further details as usual. Let's all keep our fingers crossed for a better 2021!

We will automatically roll your school registration over to 2021 so you don't need to do anything further at this stage. We are sending an email out directly to all runners today to inform them of the cancellation. Unless they request a refund, their entries will also be automatically rolled over to 2021. Where pupils may be moving school in September, we have asked parents to contact us so that we can switch their entry over to their new school or to run independently.

If you have any questions about the change of date, or plans for the 2021 run, please do let me know. We will be in touch again in October/November with further details for you.

Thank you as always for your support.

Kind regards

Janet Price
Fundraising Manager

North of England Children's Cancer Research
