## Design & Technology: Toys

In the past few weeks, the children in Key Stage 1 and Key Stage 2 have been taking part in this terms Design & Technology project all about toys. Some year groups have been making 'Moving Vehicles' whilst others have created 'Moving Monsters'. Our older children have been focusing on toys which operate using electrical circuits such as electrical carousels and racing cars.

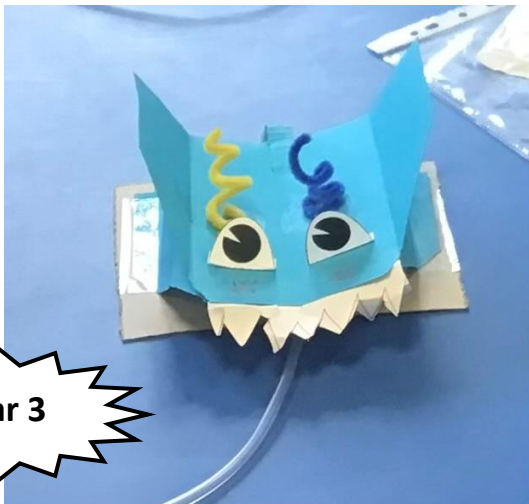

We are so proud of the children and all their hard work and just wanted to give you an early Easter treat and share with you some examples of their wonderful work across school.

**Year 1**

**Year 2**

**Year 3**

**Year 1** have designed and made moving buses.

**Year 2** have designed and made moving cars.

**Year 3** have designed and made moving monsters.

**Headteacher:** Mr W Myers BA (Hons) PGCE NPQH  
**Chair of Governors:** Mrs A Parker BA (Hons) FCIPD MIOD

**Year 5**

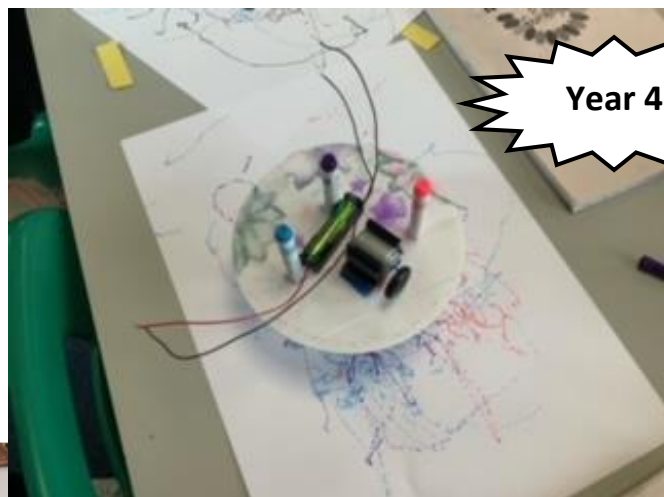

**Year 4** have designed and made electric scriblers.

In **Year 5** they have designed and made electric carousels.

**Year 6** have designed and made electric racing cars.

**Year 6**

**Year 4**

You can see all the work on our website or alternatively you can see the Twitter posts on our website. If you head to the website on <https://richardson-dees.eschools.co.uk/website/> and go to *Medium Term Plans*, you will find your child's year group Twitter feed which includes **all** the work they have been doing this year.

We hope you have a great Easter break and we look forward to seeing you back in school on **Tuesday 26<sup>th</sup> April**.

Kind regards,

Mr W Myers  
Headteacher

Mrs E Lynch  
Assistant Headteacher / Design & Technology Lead
