Are you interested in being more involved with school?

We are looking to revive our *Friends of Richardson Dees* (this used to be our PTA: Parent Teacher Association) and we are looking for interest from any of our parents and carers.

There is no set expectation on the time that you need to give or when you should give it, we are just interested to know if you would like to be involved in any way and we would love the opportunity to discuss what that might look like.

If any of this applies to you then on **Thursday 7th October at 330pm**, we would like to invite you in to talk a little more about how we could work together in partnership. Feel free to bring the children along too.

Whilst the longer-term implications of COVID are still very much in all of our lives, we want to start to bring our school community back together again. So if you are interested in being a part of it all, please come in for a cuppa and we will continue the conversation.

If you do wish to attend, could you let our office know in advance so that we can ensure that the event is fully risk assessed in line with COVID. Equally, if you are not able to attend at this time but you are still interested, then please feel free to contact school and we'll be happy to chat with you at a more convenient time for you.
