Mathematics including Arithmetic

We will be using the White Rose scheme to continue learning Multiplication and Division skills. We will move on to Fractions later in the term. When we work with Mrs Wandless we will be continuing learning about money and then we will be learning to measure length and perimeter.

In arithmetic we will continue to refine our use of the four operations and practise skills linked to this.

Year: 3
Term: Spring
Where can a book take us?
The Wild Robot

Geography

We will look at types of settlement and land use, economic activity and the distribution of natural resources including energy, food, minerals and water. We will strengthen our understanding of continents and oceans and explore a range of maps, actively engaging in plotting co-ordinates.

Science

Light and Sound

Identify how sounds are made, associating some of them with something vibrating.

Recognize that vibrations from sounds travel through a medium to the ear.

Find patterns between the pitch of a sound and features of the objects that produced it.

Find patterns between the volume of a sound and the strength of the vibrations that produce it.

Recognize that sounds get fainter as the distance from the sound source increases.

PE Strike and Field

Music

Singing assembly
Go Noodle
Recorders

MFL
