Wednesday 3rd February

Important Update for Parents and Carers of Pupils in Year 2 and Year 3

Dear Parent / Carer,

As you will know, we were planning to return your children to school on Friday 5th February. Unfortunately, I have to inform you that there have been further cases of COVID-19 amongst our Year 2 staff and their families which means for Year 2 children the return date will have to be changed.

What does this mean for your child?

- Year 3 children will still return to school on Friday 5th February as originally planned.
- Year 2 children will now return on Wednesday 10th February

I realise this will be as frustrating for our Year 2 families as it is for us but we will continue to support your child remotely. (The online engagement from our Year 2 children in particular has been especially pleasing).

I also want to take this opportunity to wish our staff and their family members a full and speedy recovery.

When you do return, please continue to wear masks and stay 2 metres away from others wherever possible. We are so grateful for your cooperation with this.

Also, if you or a member of your household is displaying symptoms or has come into contact with someone who has COVID-19, you **must not** bring your child into school. Instead, you will need to take a test and self-isolate until you have received a confirmed result.

This pandemic continues to test us in a range of ways but for now we must continue to do all we can to keep each other safe.

Thank you again for your continued support,

Mr W Myers
Headteacher
