Friday 11<sup>th</sup> March 2022

Dear parent / carer

We are due to have the school roof repaired as a number of tiles have been damaged in the storms since Storm Arwen. Whilst we don't have final confirmation of the start date, we are hoping it will be imminent. This will require scaffolding to be erected around the premises in various places. At the front of the building the ramp will be closed off and at the rear of the building scaffolding will be in the main yard. To the sides of the building there may be scaffolding or cherry pickers to reach the area.

Should we need to close off areas, there will be directional signage to point parents and pupils in the right direction. Should you need to access the main office and need the ramp, please call the office on 0191 263 8139 and we will come out to you instead or direct you in through a different entrance.

Please bear with us whilst we undergo these important repairs to our school.

Proud to be a  
**SchoolsNorthEast**  
Partner School
