

Medium Term Planning

Year 2

English	Mathematics
This half term we will be looking at the traditional tale	This half term we will be developing our multiplication
Hansel and Gretel with a writing focus on speech and	and division skills. We will be able to multiply and
paragraphing. In our non-fiction unit of work we will	divide by 2, 5 and 10. We will build up our fluency by
write a non-chronological report; organising information	applying our knowledge in problem solving and
under headings.	reasoning challenges. We will also be learning about
We will be looking at shape poetry, and will enjoy	statistics. We will make tally charts and then draw
creating our own shape poems.	and interpret pictograms.
Art & Design	Computing
This half term we will be exploring Digital Media. We will	In Computing this half term we will use iPads to make
look at The Lego Movie for inspiration. We will use iPads	an EBook Creation. We will create a book cover with
to help us create our own digital art.	a title, author, colour and image. We will learn how
	to add multiple pages and text as well as images and
	voice recordings.
Design & Technology	Geography
We will look at Design & Technology next half term. We	Next half term we will be learning about 'Mountains
will be looking at mechanical systems and will design and	and Rivers of the UK'. We will use maps, atlases and
make our very own fairground wheel!	iPads to help us name and locate a number of
	mountains and rivers in the United Kingdom.
