COVID-19: Important Update for all Parents and Carers

Monday 4th January

Dear parent / carer,

First of all, Happy New Year to you all.

I just wanted to update you on the current position of our school regarding COVID-19 and the growing number of school closures around the country.

We will be open tomorrow for all of our children but we will be reviewing this position alongside government guidance on a daily basis moving forward.

This is an incredibly uncertain time for everyone including our whole staff team who deserve huge credit for their determination to ensure children miss as little time as possible in their education.

That said, this is a collective effort and there are some things we must ask of you in order to try and keep us all safe. We would be extremely grateful if when you drop off and collect your child, you:

- Wear a mask or visor around the site premises including the roads that immediately join our school
- Ensure that only one adult collects your child and there is no car sharing outside of support bubbles for collection or drop off
- Don't mix household bubbles when collecting children
- Maintain a distance of 2 metres from each other and wait patiently for your child to be admitted / dismissed

I recognise how anxious all of this must be for you as parents. We will continue to do everything we can to keep everyone safe and thank you for all your support in our efforts.

Kind regards,
Mr W Myers
Headteacher
