Potential Reopening of our School to More Pupils

Dear Parents and Carers,

You will be well aware of the government's plans for the possible phased re-opening of schools in June 2020, beginning with children in Reception, Year 1 and Year 6 as announced on Sunday evening.

This has been decided **only** if infection rates and the government's other tests at the time allow it – should this be the case, we are being asked by the Department for Education to prepare to open for more children.

As such, we will be using the next few weeks to make sure we manage the process of re-opening well, and that we have all sensible measures in place, so school will be a safe place for your child to return to.

As always, we will be guided by what is published by the government. We are in consultation with the Local Authority and are planning what a return to school could look like. Crucially, we will let you know the proposed arrangements for your child's return to school in due course and ask for your patience during this time.

I am aware that this continues to be a worrying time for all but I just wanted to reassure you that the safety of all of our children is key in any and every decision we make moving forward.

With warmest regards

Stay safe. #rdpsfamily

Mr W Myers, Headteacher
